MusiCares is a charity founded by the Recording Academy®

MusiCares Special Events 3402 Pico Boulevard Santa Monica, California 90405

MUSICARES®

## THE MISSION

Established in 1989 by the Recording Academy, MusiCares provides a safety net of critical assistance for music people in times of need. MusiCares' services and resources cover a wide range of financial, medical and personal emergencies, and each case is treated with integrity and confidentiality. MusiCares also focuses the resources and attention of the music industry on human service issues that directly impact the health and welfare of the music community.

Every day, MusiCares helps people we all know — whether it's a young guitar player who is about to undergo surgery without health insurance; a veteran pianist whose hand injury will prevent him from performing for an extended period; the family of a beloved blues artist who cannot afford to pay for his funeral; or a songwriter who has found that substance abuse is consuming his life. MusiCares can and does help.

## EMERGENCY FINANCIAL ASSISTANCE PROGRAM

The "heart and soul" of MusiCares is the Emergency Financial Assistance Program. With a commitment to providing help to those in need as quickly as possible, MusiCares operates toll-free phone lines in the West region (1.800.687.4227), Northeast region (1.877.303.6962), and Central region (1.877.626.2748). MusiCares' Health and Human Services Directors administer this program.

MusiCares provides assistance for basic living expenses, prescription costs, medical and dental bills, medical equipment, addiction treatment and sober living costs. This program is open to music people who are able to document at least five years of employment in the music industry or their professional contribution to six commercially released recordings or videos, and who can demonstrate proof of need. Documentation can be provided in a variety of ways including liner note credits, copies of contracts, check stubs, brochures, flyers and newspaper articles.

MusiCares has become a leading force in the effort to identify, raise awareness of and address the problems of addiction in our industry. In addition to the financial assistance that is available, MusiCares also provides addiction recovery support through its **Safe Harbor Rooms**. MusiCares established its first Safe Harbor Room backstage at the 39th Annual GRAMMY Awards telecast, providing a support system to artists and crewmembers struggling with addiction issues. Staffed by qualified, chemical dependency and intervention specialists, the Safe Harbor Room offers a support network to those in recovery while they are participating in the production of televised music shows and other major music events. MusiCares has expanded the Safe Harbor Room program to include the annual GRAMMY and Latin GRAMMY Awards, the CMA Awards, South by Southwest, Bumbershoot, BET's Annual Awards Special, Academy of Country Music Awards, the Native American Music Awards and the NAMM Convention.

## COMMUNITY AND NONPROFIT PARTNERSHIPS

MusiCares collaborates with industry and health-related nonprofit organizations to ensure that the most appropriate, comprehensive and vital services are provided to its clients as expeditiously as possible. These partnerships were developed to maximize the resources provided to clients in need. Frequently, an individual will contact one organization without realizing that they could be eligible for further services. When possible, our Health and Human Services Directors collaborate with other relief organizations to provide further assistance to those in need. Partners include the Actors Fund, Musicians' Assistance Program, the Jazz Foundation, the Opry Trust Fund, American Federation of Television and Radio Artists, Screen Actors Guild, Society of Singers and Sweet Relief, among others.

## PERSON OF THE YEAR TRIBUTE

The annual MusiCares Person of the Year tribute dinner and silent auction takes place during GRAMMY Week. Each year, the dinner honors a recording artist who has made significant contributions to the world of music and has demonstrated extraordinary humanitarian and philanthropic efforts. The event generates significant financial support for MusiCares and draws attention to the important work of the organization. Previous MusiCares honorees include Tony Bennett, Bono, Natalie Cole, Phil Collins, David Crosby, Gloria Estefan, Billy Joel, Elton John, Quincy Jones, Luciano Pavarotti, Bonnie Raitt, Paul Simon, Stevie Wonder, and Sting.

## HOW CAN I HELP?

As our industry shifts in response to the current technological and economic trends, the needs of our community are increasing, and your help is more important than ever. Please talk to us about the people you know who are in need. Invite us to your company, studio or other gathering to talk about how we can help. And when considering a charity for your personal or professional contribution, please remember MusiCares. Your contribution can make a real difference in the lives of the members of our music family.
